MEMORANDUM FOR: Project Contracting Officer

SUBJECT : Immunization of Hycon Personnel

1. It is my understanding from [REDACTED] that for one reason or another probably connected with the medical qualifications of the doctors originally employed by Hycon that immunization shots were given to all Hycon personnel by Dr. [REDACTED] instead of the Hycon Medical Staff.

2. This may be of interest to you at such time as we receive a list of charges from Hycon for processing their people for overseas.
